

Bringing some serious change

TD Bank employees Vanessa Woods, left, and Brianna Lynch, right, help Dylan Davis, 8, count his donation at the Seneca branch's Bring Change event Friday. Dylan is the son of Our Daily Rest board of directors president Julian Davis, back left. For the event, TD Bank waived coin-counting fees for its "Penny Arcade" machine and matched the total amount of coins cashed in for the day with a donation to Our Daily Rest. At the end of the day, TD Bank presented a check to Our Daily Rest for \$3,216.50. Of that, \$2,000

was from TD Bank and \$1,216.50 was from customers and supporters in the community. According to assistant vice president Chis Parish, also pictured at back right, there may be additional contributions later this week due to commitments from clients who couldn't make it on Friday.
